"I came to AUA in 1986 after purchasing a Cessna Birddog, C-305. I regard my agent as a friend although we have never met face to face. When I purchased my second aircraft, a Piper Twin Comanche, AUA worked with an underwriter that could insure both my planes, saving me a good deal of money. It has been a pleasure working with AUA all these years, with many more to come."

— Mike Hughes
