Deborah pictured with "Lester"

Deborah McFarland has owned this beautiful 1948 Luscombe 8E, "Lester," since 2001 and her husband Henry has had his 1946 Luscombe 8A, "Lucy," since 1978. They are also in the process of restoring a 1954 Cessna 195B.

We've had great service with AUA for several years. As a flying family, they insure we get the right coverage to suit our flying needs.
